

# Opera Touch

Hot & Cold

### User Interface

- Selection area with wide 13.3" full HD touch screen.
- Visual drinks menu with large customisable product icons, elegant and user-friendly.
- Possibility to display product information and spots during selection and preparation phases.
- Nutritional facts for each selection.
- Master/slave connection with other Necta's S&F models.

### Technology

- Available in single or double espresso version with Z4000 espresso brewer.
- Up to 4 customisable product categories for a wider offer (ex. 2 categories for hot drinks, 2 categories for promotions and snacks -available when Opera Touch is banked with a S&F model).
- Self adjusting blades.
- 24 volts variable speed mixer.

### Electronics

- Advanced electronics, already implemented on other models of our Group.
- Simple and intuitive programming and customizing of the technical menu.
- Download of EVA DTS statistics through Bluetooth or IRDA (with BlueRed kit).
- Possibility of ethernet or wi-fi connection for RSS feed management.
- Flexible management of any payment system and fully compatible with Executive and MDB protocols.
